Hear from our Patient's Experience

"Have been to Atlas Chiropractic for many sessions and with every adjustment of my spine, my health has gotten better. The doctor has amazing skill in identifying pain areas and making adjustments."

Anubha Kothari ★★★★★

Very caring and professional Doctor and team. It's all about getting you well again. I love the ambiance and clean treatment rooms. What patients need to understand is that we need to do our bit as prescribed to get the full benefit from the treatment. I could barely walk when I first started treatment. Dr.Prathap has always delivered what he's promised.
